About

Founded in 1971 as an independent family business in Oudenhoorn, the Netherlands, Farm Frites has grown to over 1500 colleagues, working across 5 modern manufacturing facilities and 40 global sales offices.

Established in 2016, Farm Frites Australia has rapidly grown to become one of the leading suppliers of frozen potato products to the Australian foodservice market. With a dedicated sales team located in each capital city, along with comprehensive warehousing, logistics, and storage capabilities across the country, Farm Frites Australia is committed to delivering reliable support for your business, now and into the future.

We create tasty potato products while respecting people and our planet. Our range includes chips, potato specialties, and appetisers, all made with a focus on quality and taste.
