About

Founded in 1971 as an independent family business in Oudendoorn, the Netherlands, Farm Frites has grown to over 1500 colleagues, working across 5 modern manufacturing facilities and 40 global sales offices.

Established in 2016, Farm Frites Australia has rapidly grown to become one of the leading suppliers of frozen potato products to the Australian foodservice market. With a dedicated sales team located in each capital city, along with comprehensive warehousing and logistics services across the country, Farm Frites Australia is committed to delivering reliable support for your business, now and into the future.

We create tasty potato products while respecting people and our planet. Our range includes chips, potato specialties, and appetisers, all made with a focus on quality and taste.

4 Fine Reasons

#1 Taste

We select the best potato varieties and batches based on two criteria, pure potato taste and consistent good length.

#2 Yield

The consistent long length helps provide an excellent yield from every kilogram of fries.

#3 Dedication

Modern techniques combined with the care and dedication of the past, Farm Frites Finest is the culmination of over fifty years' artisan experience.

#4 Freeze Chill

The Freeze Chill capability allows the Finest products to be cooked from thawed and stored in a refrigerator for up to 3 days.

Traditional *European style fries* with consistent quality, ensuring the high expectations of your customers are met!
